### SHARIAH CERTIFICATE

Orange Tree Foundation (OTF) is a non-profit organization. Since 2011, it has expanded its reach to provide around 850 educational scholarships annually to students. The total amount of scholarships awarded by OTF has surpassed 700 million Rupees. OTF collaborates with top educational institutions, to offer scholarship opportunities. As a registered non-profit entity, OTF has been certified by the Pakistan Center for Philanthropy (PCP), the first non-profit organization certification agency sanctioned by the Government of Pakistan. The financial requirements of OTF are met through donations, and Zakat contributions from individuals and corporations both within Pakistan and globally.

Based on our review, we certify that the procedures for the collection and utilization of Zakat at the Orange Tree Foundation are compliant with Shariah rules and Principles. Consequently, it is permissible to collaborate with the Orange Tree Foundation by contributing Zakat and Sadqa. Anyone who donates Zakat to OTF, his/her Zakat will be considered as paid in accordance with Shariah principles.

May Allah Almighty forgive any inadvertent errors in this undertaking and bestow upon the management the greatest reward for their noble efforts. Aameen.
